Dexian Successfully Placed Veterans for a Top US Employer

©Dexian, LLC, 2023 | 4226816441

CLIENT:

An American company that develops, sells, repairs, and supports computers and related products and services

Dexian.com

Challenge

- Client sought to implement a Veteran hiring program
- Identify qualified Veterans with the right skill sets to meet all client business needs

Solution

- Dexian leveraged its experience with our internal Veteran Employment and Training Solutions (VETS) program to locate and provide highly qualified consultants for the client

Outcome

- Successfully placed 25 veteran consultants for the client
- Several veteran consultants were converted to full-time positions
