Case Study: Technology

# Dexian Successfully Updates AngularJS Software Versions by Placing Team of Experienced Developers

Dexian.com

## Challenge

The client tasked Dexian with finding experience AngularJS developers to rewrite their entire Human Resource Software from version 1.5 to 2.0 AngularJS.

## Solution

Dexian quickly sourced AngularJS Developers and provided onboarding faster than the client's expectation.

## Outcome

The Human Resource Software was successfully upgraded and several of Dexian's consultants were converted to full-time employees.

**CLIENT:**
Recognized as one of the best places to work, the client is a strong competitor in the Human Resource software solutions industry, servicing clients both nationally and internationally.
